Netmizaaggamig Nishnaabeg
Chief and Council Meeting
September 9, 2026

1. **Opening of Meeting**
   a. opening prayer:
   b. Confirmation of Quorum:
   Councillors Derek, Patrick, Myles, Frankie, Norman, Michelle, Thurston and Chief Clyde
   Councillor Dion joined the meeting in time to participate in the in camera session
   Regrets: Councillor Marie
   Admin: Lorrie and Crystal
   c. Call to Order: 5:13

2. **Approval of Agenda**
   Motion: Michelle 2nd: Chief Clyde

3. **Declaration of Conflict of Interests: none declared**

4. **July 29 2026/September 2 2026 meeting minutes**
   Motion: Michelle 2nd: Frankie

5. **Consent Agenda:**
   a) **Communikiti - Custom Mobile Apps for Netmizaaggamig Nishnaabeg**
   b) **Long Term Storage of Wills**

6. **Portal Content Discussion - council received an email from Frankie about what they want available on the portal; Derek – portal is living and green, don't wait for council approval on items we need to move things;**

7. **Temporary Safety and Security Leadership – Michelle - more diligence required, need to know if / when Paul is coming back so there is limited overlap;**
   Derek – need to postpone by 2 weeks so more council have time to read the document;
   Myles – it is expensive
   Patrick – do we know if the pilot project Paul applied for was approved? Can ISN do a presentation to council to learn what ISN will actually do for NN
   Thurston: how much does it cost and how does it compare to Paul's department costs? What's more important, the cost is similar and we should be more worried about what is coming into our community. I would rather have ISN here and monitoring what is going on then wait.
   Derek – great points by Thurston but should we get another quote? WLLP always gets 3 quotes. Councillor Dion should be approached as he did this kind of work.

Norman – should consider what LL58 has – we were searched when we went there, and if we didn't agree we could not enter.
Patrick – we need to vote on a company and set a date for action.
Michelle – Sept 23 we need a third quote and a decision being made

8. **Community Engagement on Safety and Security – overview of outcome of engagement session, detailed report will be provided**
Myles: Paul was our person who was sworn in and is a trusted person
APS has a new hire who will do community work
Derek – we need people to use the 888# for people to report; APS advised that as of the 18th
APS will provide 24/7 coverage, Paul's truck was supposed to be wrapped, it should be done while Paul is away – he was working with Jonathon on this, need to follow up with Jonathon on this.
Patrick – have Nokiiwin provide mini participation workshops over a one month period,
Myles offered to drive security truck to SSM to have decals placed on it

9. **Council Code of Conduct Policy – Patrick shared that Joe has a longer version and Council preferred it. Audrey shared it with Council shortly after being elected.**

10. **In Camera - Community Trust Development Trust Members changes – Michelle will take notes.**
Action: progress report required from committee
Kayla removed and Gwen and Breanne will be assigned

Next Meeting: September 23, 2026

Adjourned: 7:16 p.m.

Motion: Michelle 2nd: Frankie

Myles, Pat, Dion, Norman and Chief – legal update in city – SSM – discussion after the meeting was closed.
